

**REQUEST FOR EXPRESSION OF INTEREST – OWNERS ENGINEER FOR HYDROPONICS
PROJECT IN INDIA**

Equicap Asia Pte Ltd., on behalf of **InfraCo Asia Development Pte Ltd.**, is developing a commercial scale hydroponics agricultural project in Himachal Pradesh, India. First phase of the project is to be built in an area of 3 hectares. Equicap seeks **Expression of Interest (EOI)** from qualified consultants to act as Owners Engineer of the project company, with primary responsibility for detailed engineering, project management and construction supervision of the hydroponics project.

The consultant should have prior experience of developing/ implementation of hydroponics facility in similar climatic conditions as are expected in Himachal Pradesh. It is required that the interested consultants provide their credentials for similar work, along with the EOI.

The Request for Proposal (RFP) along with Terms of Reference (ToR) will be sent to shortlisted consultants after review of their technical qualification and relevant work experience in this field.

EOI should be addressed to: **Mr. Prathemesh Barar (pbarar@equicapasia.com)** at Equicap Asia, with a copy to **Ms. Radhika Bansal (radhika@equicapasia.com)**.

Last date for sending Expression of Interest is April 21, 2017.
